Biografie

Sameer Somal is the CEO and Co-Founder of Blue Ocean Global Technology. When he is not helping clients improve their digital presence, supporting causes he believes in, Sameer is usually found sharing perspective and simplifying complex topics at events globally. He is a published writer and subject matter expert. Sameer was named an Iconic Leader Creating a

Better World for All by Women Economic Forum.

Sameer is a CFA Charterholder, a CFP professional, and a Chartered Alternative Investment AnalystSM. He currently serves on CFP Board's Council on Education and the CFA Institute FAS Board of Regents, as well as hosts the CFA Institute talk show, The Topic@Hand.
