Biografie

Christopher Kai is the world's leading authority in story-based leadership and the founder & CEO of The Mathem Group, a Beverly Hills-based leadership training firm. He is a Fortune 100 global speaker, #1 global bestselling author, and founder of GPS, the premier speaker training program in the world with clients in 100 cities, 24 countries, and 5 continents. Christopher also

created Mondays at the Mission, the only homeless youth program of its kind in the world. He is a former business strategist and executive speechwriter at American Express. Elon Musk once exclaimed during an interview, "Wow, you really know a lot."
