HEIN WAGNER IS "THE BLIND MAN WITH VISION".
Hein Wagner is one of the most inspirational human beings on this planet. He is an extreme

adventurer, a motivational speaker and most amazing international keynote speaker. His story is an experience for any type of audience. His purpose in life is to inspire people to turn huge obstacles in to major opportunities as that is exactly what I did with my blindness. Born in Cape Town, South Africa but living now in Göteborg, Sweden.

Hein Wagner is also the founder of the Hein Wagner Academy. The Hein Wagner Academy specialises in the post-grade 12 training of blind and visually impaired persons to become cyber security analysts, and is based in Worcester, South Africa.

Land Speed Record and other amazing accomplishments

Hein Wagner has been blind since birth... Despite this Hein Wagner has many accomplishments to his name. He has completed the Absa Cape Epic, ran the Antarctica Marathon, the Two Oceans and New York Marathons, completed full Ironman, completed the Cape to Rio Yacht Race, holds the World Blind Land Speed Record at 322.52 km/h, and recently received a golden key from the university of Stellenbosch for his ongoing efforts towards social upliftment.

Hein Wagner as an amazing keynote and motivational speaker

Hein Wagner is a most inspirational keynote speaker. Hein is the living proof that despite the challenges that come our way, anything is possible. He does not allow his blindness to stand in the way of his dreams and people often refer to him as the blind man with exceptional vision."

He has been working as a full-time international keynote motivational speaker the world for many years and his audiences vary from small executive leadership groups of 10 - 40 people all the way up to 15 000 people at global kick-off events for top international brands. His success as a speaker comes down to his authenticity and his story telling approach based on his own

experiences. His purpose in life is to inspire people to turn huge obstacles in to major opportunities as that is exactly what he did with his blindness.
