Biografie

Kenyon Salo is one of the top trainers, facilitators, and keynote speakers in the fields of motivation, inspiration, and adventure.

One of only five members on the Denver Broncos Thunderstorm Skydive Team, he is seen each week during game season flying into the Denver Broncos Stadium at 60+mph, ending with a soft tip-toe landing on the ten yard line. He brings to the stage over 20+ years of successful audience engagement through humor, awe-inspiring moments, prolific storytelling, and 'edge-of-the seat' content.

With over 6000 skydives under his belt and travels that have taken him all around the world, he's determined to live life to the fullest and help others do the same. Through his passions for adventure, storytelling, and connecting with people, he found a simple process to guide others on a path to what most of us crave - living a more fulfilled life. His goal through his engagements is to deliver a powerful and heart-touching message on the possibility of how amazing life can be through providing actionable steps that will help any audience, both personally and professionally, embark on a path to achieve anything they desire.
