Biografie

Talitha Muusse is a social entrepreneur, speaker and founder of many youth initiatives. She started her career at MVO Nederland (CSR Netherlands); a business network that enables sustainable entrepreneurship. There she developed a passion for topics such as social innovation and millennial leadership. Now she advises companies on how to engage with the younger generation and stay relevant for their employees. She has become one of the voices of her generation through many business initiatives like the Sustainable Young 100, Blikverruimers and the Energieboot; a sector initiative that unites and facilitates young energy professionals that work on a future with sustainable energy.
