## Biografie

Vito Di Bari maintains a global reputation of excellence as the world's premiere futurist, innovation strategist and inspirational keynote speaker, forecasting trends in business innovation based on new technologies and quoted as the top inspirational guru. Vito Di Bari was the Innovation Designer for the World Expo 2015, Executive Director at United Nations' UNESCO, in Paris, and Professor of Design and Management of Innovation at Polytechnic University of Milan. Vito has published 11 books on innovation and hosted the show "Live from the Future" on Discovery Channel. Named Big Thinker 2014, he is considered the thought leader of the tech driven design movement Neo-Futurism, where architects like Zaha Hadid and Santiago Calatrava belong to.
